Reminder to Switch Sides

The screenshot shows a tennis scoring application interface. At the top, there are tabs for 'SCORING', 'POINTS', and 'VIOLATIONS'. Below this, the server information is displayed as 'Server RONDOS, Sasha: 0-1 (0-0)'. The interface is divided into two columns for players: 'RONDOS, Sasha' on the left and 'MESSLER, Lyla' on the right. The score for RONDOS is 0, and for MESSLER it is 1. Below the scores are buttons for 'ACE', 'FAULT', 'FIRST FAULT', and 'UNDO'. A timer at the bottom shows '00:02' and a message 'Players need to change sides'. A callout box on the left points to the timer with the text 'Reminder to Chair Umpire'. A callout box on the right points to the player names with the text 'Players have Switched sides'.
