

2024 WALKIE TALKIE (RADIO) PROCEDURES

Basic Radio Use:

- Keep radios “on” when you first receive them in the morning, confirm channel and test before heading to court.
- Turn them “off” or on low volume when the match has started when you are in the chair.
- Press the “talk” button– hold for a second to make sure channel is clear and then speak clearly (wait a moment and then release the talk button). Green-talking. Red-receiving.
- Speak in a clear and concise manner (see situations below for communications).
- All communications wait for a response to confirm your transmission (say “COPY” to acknowledge the transmission. In some instances, you will need to keep the radio on until the situation is taken care of.
- If you cannot locate your radio, borrow one from the Chair Umpire closest to you and call in the request for Field Staff/Referee to bring another radio to the court.
- Do not leave your assigned match while waiting for players.
